Personal Profile

Current Mobile and Web Application Development master's student with a proven track record of producing high-quality websites, coupled with a strong desire to gain further knowledge in the field. Currently seeking an opportunity to work as a web developer, to both utilise the skills gained through my degrees and gain further knowledge and experience in web development.

Education

Oct 2018 – Present	University of Wolverhampton MSc Web and Mobile Application Development Modules Include: Mobile Computing Platforms, Web Design, Group-based Software Development, Web Technologies, Mobile Application Development
2014 - 2017	University of Wolverhampton BSc (Hons) Computer Science 1st Modules Include: Website Fundamentals, Web Application Development, Object Oriented Analysis, Design and Programming, Collaborative Development
2013 - 2014	Willenhall E-act Academy A Level IT, Media Studies, Business Studies
2007 - 2013	Willenhall E-act Academy 13 GCSE's (including Maths and English)

Skills

Front-end development

- Used HTML, CSS, and JavaScript/jQuery throughout my undergraduate and postgraduate studies.
- Utilised the CSS pre-processor SASS during portfolio work and postgraduate studies.
- Used ReactJS during the Web Technologies Module.
- Did a Udemy course on web design and used the design tool Sketch during postgraduate studies.

Back-end development

- Used PHP and MySQL throughout undergraduate and postgraduate studies
 - Worked with both REST APIs and Laravel during the Web Technologies module, as well as a familiarity with Ruby on Rails.
-

Agile Development

- Used the Agile methodology during the collaborative development module in both degrees.

Communication

- Delivered both a short game development course and presentation to school children during the universities Sci-Fest event.
- Worked within teams' multiple times during my degrees.
- Helped market the Computer Science (Games Development) course at the university by talking to members of the public and producing informational leaflets.

Possess a clean UK driving licence and own car
